

Morgan McKeagney - *Director*

Morgan McKeagney is a co-founder and Director with iQ Content, Ireland's only world-class innovation and design consultancy.

Since 2000, Morgan has been helping smart, global organisations use digital channels to become more successful, more customer-focused, more innovative, more profitable and more efficient.

Economist by training, entrepreneur by nature, Morgan's big passions are business, creativity, technology and innovation, and how all four can combine to make the world a slightly better place for everyone.
